**Notes:**

**Times:** The above times are our suggestion. Please adjust to suit your requirements. Please indicate if lunches are to be taken away and when they are to be ready.

**Diets:** We are happy to cater for special diets but do need to be told in advance of people's need. Also, once a request has been made for special meals we expect them to continue with that diet for the entire camp. A distinction should be made between "I *prefer* soy milk" and "I am *allergic* to cow's milk". (We happily supply soymilk to those who *prefer* it; please indicate your preference.) Please ask all of your group members if they have any specific dietary requirements and complete the above chart. They should identify themselves to the kitchen staff at all meal times.
